## Accessibility

We strive to provide the best possible experience for all our guests and visitors through a policy of continuous monitoring and improvement of all our facilities and training for our staff. We work to identify areas where improvements are required and implement reasonable solutions wherever possible.

We aim not to just be compliant with our legal obligations, but to be able to deliver an outstanding experience which meets and, where possible, exceeds the statutory requirements placed upon us.

### As part of that commitment:

- Two accessible toilets are provided, one on each floor.
- One lift for people with limited mobility is provided to take guests from the main entrance to the first floor space.
- Room 2 has been adapted to be more accessible, please enquire for further details.

Our guests and visitors are encouraged to bring any accessibility issues to our attention. We always welcome input and work to address concerns, for their benefit and for the benefit of all our future guests and visitors. Our staff will always go the extra mile to ensure that all our visitors have the best possible experience when visiting the The Godolphin

Our website has been built to achieve a high standard of accessibility for all users.
